FAMILY REFERRALS TO COMMUNITY RESOURCES

The mission of the Homeless Children's Playtime Project is to cultivate resilience in children experiencing family homelessness by providing and expanding access to transformative play experiences.

We do this by:

- Creating ongoing play opportunities that nurture healthy child development
- Challenging systemic injustice by advocating for policies and practices that reduce the risk of chronic homelessness
- Connecting families with critical support services and supplies in the community to meet their concrete needs

Our trauma-informed programs seek to restore normalcy for children by providing opportunities to learn and heal through play, and empowering them to make choices, express themselves, relate to others, and find support.

VOLUNTEERS GIVE THE GIFT OF PLAY

More than 150 Play Rangers (weekly volunteers) dedicate their time every week to support positive emotional development for one of the most vulnerable populations in the District. They make a weekly commitment to running one of our 20 weekly programs in four temporary housing facilities. **We could not provide Playtime without them.**

Additional volunteer opportunities include coordinating in-kind donation drives, cleaning our playrooms, and sharing special skills and talents with our youth.

269 TOTAL WEEKLY PLAY RANGERS 679 GROUP SERVICE VOLUNTEERS
